

Bay Area Sunrise Rotary Club - *Dictionary Project - Feb. 15, 2007*

Kids listen intently . . .

. . .and wait for their dictionaries.

Rotarians Lynda Kristoffersen and Jan Delimont

Rotarian Tom Burdett also helped deliver dictionaries and took these photos.

Bay Area Sunrise participates in our District wide "Dictionary Project." These kids love their new dictionaries - in some cases, the only book they have at home. Every third grader in the Bay Area has a dictionary thanks to the Rotary Clubs of "Bay Area Sunrise," Coos Bay-North Bend" and "The Bay Area."
